MOTION FOR EXTENSION OF TIME

Calvary Educational Broadcasting, Inc. (Calvary), by its undersigned attorney and pursuant to section 1.46 of the Commission's Rules and Regulations, 47 C.F.R. § 1.45 (1992), hereby requests a further one week extension of time for the filing of findings of fact and conclusions of law, and reply findings of fact and conclusions of law, in the above-captioned proceeding. As grounds therefor, Calvary shows and states as follows.

1. Upon Calvary's motion the date for filing findings of fact and conclusions of law in the above-captioned proceeding was extended for two weeks in the Presiding Officer's Order, FCC 93M-07. The good cause for the requested extension was the then upcoming surgery of Calvary's counsel.

2. The surgery mentioned in Calvary's motion took place as scheduled, but was more extensive than was originally planned. The greater extent of the surgery has added substantially to the recovery time, and Calvary's counsel is, unfortunately, physically

unable to meet the deadline now set. Counsel regrets the necessity for submitting this motion.

3. A further one week extension will not add appreciably to the delays experienced by the parties, and will not negatively impact the public interest. A short delay will allow a licensee whose license is at stake to fully participate, through counsel, in this vital phase of the proceeding.

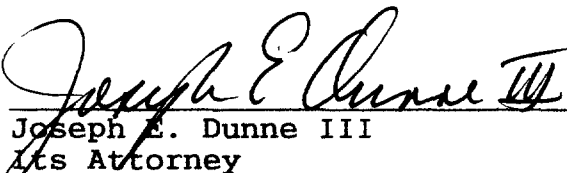

4. Counsel for the Mass Media Bureau has been informed of the necessity for filing this motion, but was unable, due to the vacation schedule of superiors with whom he must consult, to express a position with respect to this request.

WHEREFORE, the foregoing considered, Calvary Educational Broadcasting Network, Inc. respectfully requests a one week extension of time within which to file findings of fact and conclusions of law, and reply findings of fact and conclusions of law, to and including February 5, 1993 and February 26, 1993, respectively.

Respectfully Submitted,

**CALVARY EDUCATIONAL BROADCASTING
NETWORK, INC.**
